With President-Elect Harding

WITH pride we announce that we have been chosen to furnish the orchestra accompanying President-elect Harding on his Panama tour. It is, we feel, approval expressed in highest terms of our undeviating policy in the selection of and the training given our artists. Our judgment in a standard, set at the time of our start mine years ago at the New Willard and zealously maintained through this period of remarkable growth and brilliant artistic achievement, has at last received its very highest vindication.
